

Daniel Boone National Forest

Redbird Crest Trail Map

Please use courtesy and caution when you meet others on the trail.

Camping along the trail
Camping is permitted on national forest land. Camps should be at least 300 feet away from the trail. Avoid private land unless you have the landowner's permission.

Campfires
Campfires must be attended at all times and kept under control. Make sure the fire is completely out before you leave. During periods of drought, check with the Redbird Ranger District office or contact local county officials about potential fire bans.

Recreation fee pass
A fee pass is required for each motorized vehicle using the trail. The pass must be visibly displayed when riding. The vehicle operator may wear the pass as a wristband or place on the vehicle handlebars.

A 1-day pass is \$7; a 3-day pass is \$15; and an annual pass is \$40. The annual pass expires on December 31 of the year purchased.

The fee passes may be purchased at the Redbird District office and other Forest Service offices on the Daniel Boone National Forest. Several local businesses also sell passes. Call or visit the district office for these business locations.

Trail markings
The trail is marked with orange, diamond-shaped signs, as pictured on the tree below. Additional signs are located at most intersections to indicate trail direction, section numbers and mileage. Visitors should report vandalized or missing trail markers to the district office.

Alerts and Warnings

Storms and high wind can cause trees to fall across the trail. When riding a motorized vehicle, you should watch for fallen trees. Slow down when approaching a curve in the trail to make sure your path is clear.

If you find fallen trees or observe other maintenance needs along the trail, contact the Redbird Ranger District office.

Steep terrain in some areas may be challenging for beginners on off-highway vehicles. Inexperienced riders should always be accompanied on the trail.

Enjoy your ride,
but be safe and
follow the rules.

Keep It Safe

Wear proper safety gear. A helmet is required.
Maintain a safe speed.
Stay alert. Expect the unexpected.
No passengers on single-rider vehicles.

Keep It Legal

Know where you can ride. Keep a current map.
Know what vehicles are allowed and what equipment is required.
Verify what trails are open and when.
Don't mix alcohol and drugs with riding.

Keep On Trails

Travel only on routes designated for your use.
Get maps of designated routes at www.fs.usda.gov/main/dbnf/maps-pubs
Resist the urge. Mudbogging is prohibited.
Obey signs and temporary postings.

Keep the Privilege

Respect the environment. Tread Lightly!®
Be courteous to other trail users.
Join a club and support OHV trails & projects.
Encourage others to "Ride 4 Keeps".

You are responsible
for your own safety.

All outdoor activities have inherent risks. You may encounter a variety of unexpected and/or dangerous conditions. It is your responsibility to be informed and take precautions. Learn more at www.fs.usda.gov/r8.

Redbird Crest Trail

Daniel Boone National Forest • Redbird Ranger District

Redbird Ranger District
91 Peabody Road
Big Creek, KY 40914
606-598-2192

Directions
From the Big Creek exit of the Hal Rogers Parkway, turn right on to KY 66 South. Travel 0.7-mile to the junction of US 421 and KY 80 and turn right. Travel 0.8-mile to the KY 66 South junction with US 421 and KY 80 and turn left. Continue on KY 66 South for 1.7 miles. The Redbird Ranger District office is on the right. The Peabody Trailhead is across the river to the left.

Trailhead parking
The trail has 3 developed trailheads: Bear Creek, Sugar Creek, and Peabody, with vehicle parking and restrooms. Signs at each trailhead indicate the type of use permitted along each section of trail.

Restrictions

Vehicles must stay on designated trail. No cross-country travel. A helmet is required.

Unlicensed vehicles are prohibited on public roads and highways.

Consumption of alcohol and open containers of alcohol are prohibited.

Guides like this are available at fs.usda.gov/dbnf.
12/2/2014

The Redbird Crest Trail provides nearly 100 miles of wooded trail for visitors to enjoy year round. The trail makes a loop that begins and ends near the Redbird Ranger District office. Two inner loops and a connector trail to a private off-highway vehicle campground add to the recreational experience.

The trail is developed for off-highway vehicle users, hikers, horseback riders and mountain bikers.

Motorized users must stay on trail sections that are designated for their vehicle type. A portion of the trail permits only single-track, two-wheel vehicles; another portion allows both two-wheel and four-wheel vehicles 50 inches wide or less; and a third portion allows only licensed, street legal vehicles.

Off-highway vehicles on the trail

Trail sections 1 through 13 – These sections are designated for motorized vehicles 50 inches or less in width. Vehicles more than 50 inches wide are not permitted on the trail.

Trail sections 14 and 15 – Only street-legal vehicles are allowed on this portion of the trail. Unlicensed vehicles must stay on trail sections designated for off-highway vehicle use.

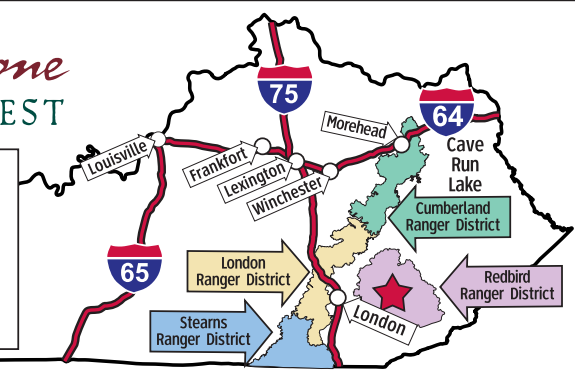

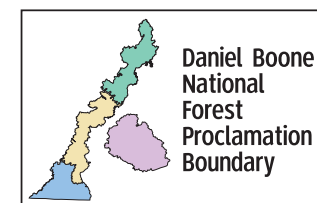

Trail sections 16 through 22 – Only single-track vehicles, such as dirt bikes, are allowed on these trail sections.

Motorized vehicle users must follow these rules on all trail sections:

- Riders must wear a helmet when riding on national forest land.
- Motorized vehicles must stay on the officially designated trail system.
- Cross-country travel and off-the-trail hill climbs are prohibited.
